

EXCELLENCE IN CONCRETE 2014 AWARDS

The Excellence in Concrete Awards are presented each year by the Concrete Promotional Group (CPG) to recognize outstanding work in concrete construction.

The 2014 Awards, presented on November 11, 2014 at the Firestone Building in Kansas City, MO included awards in 17 different categories. Fifty eight companies received awards honoring their involvement in the projects.

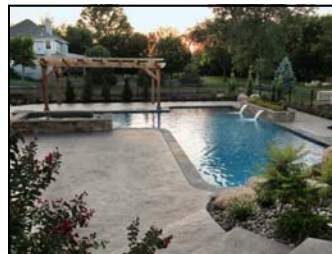

CPG is a non-profit trade association representing the concrete industry in the Greater Kansas City area promoting quality concrete construction.

CPG Mission Statement:
The Concrete Promotional Group is a trade association to support the local construction community in the use of quality concrete construction means and methods. It provides education, reference material and sales/marketing support to the professional community.
